Alderman Pickerell called Legal & Legislative Committee to order.

Pickerell turned the meeting over to Joe Juneau to discuss the directional boring.

Juneau stated that we have had different companies/sub contractors come into the city and do direction boring. Months to years later a problem will occur and we have no way of tracking them down and the city is stuck with the repairs to the sewer pipes and streets. What we would like to do is to get with the Mayor and Attorney and come up with a solution to this problem.

**MOTION By Pickerell, second by Williams to allow the Mayor, Joe Juneau and the City Attorney to meet and come up with some suggestions to handle the directional boring issue.
ALL VOTED YES. Motion Carried.**

**MOTION By Pickerell, second by Elliott to adjourn the Legal & Legislative Committee Meeting.
ALL VOTED YES. Motion Carried.**

MEETING ADJOURNED.
